Wilderness Experience Dinner

Dining in wilderness is one of the few unique experiences at Rajasthan. The venue is a 5 min drive from the resort, and leads you to middle of nowhere but foothills of the Aravali mountains. It's a deep rough countryside area away from modern intruders like light or electricity. The chef creates a special menu based on lost recipes of Rajasthan. This evening is further enriched with live performances of Sufi/folk music along with Kalbeliya dancers, to make for a fantastic experience while you having your favourite cocktails.

Ajmer Dargah is the tomb of Sufi saint Khwaja Muin-ud-din Chishti, who came to Ajmer from Persia in 1192 and died in Ajmer in 1236. The tomb gained its significance during the time of the Mughals with several emperors added to the buildings. Construction of the shrine was completed by Humayun, and the gate was added by the Nizam of Hyderabad. Mughal emperor Akbar used to make the pilgrimage to the dargah from Agra every year.
