

While the breathtaking rainforest around us and these tranquil surrounds make for a heady mix, you can help the feeling along with some of our fine signature cocktails - using the freshest of fruits, herbs, spices and condiments sourced from these very parts. Curry leaves, Coorg coffee and other such exotic delights await to stimulate those parched passage ways. The classics, as ever, continue to wet the whistles of the weary. Also stirring things up are our very own Fuse 2.0 cocktails - created by master mixologists and tested and refined to perfection with some of the most seasoned palates. So while you're at Hive, we don't mean to stir up a hornet's nest when we ask, 'what's your poison?'
