

china

chinese cuisine is one of the richest and most diverse culinary in the world. it originated from different regions of china and has become widespread in every part of the world. food in china is a harmonious integration of colour, aroma, taste and texture.

japan

japanese food is easily one of the healthiest in the world, with its concentration on fresh fish, seafood, rice and vegetables. the pungent sauces and delicate flavours of fresh ingredients complement each other beautifully and the methods of presentation turn even simple meals into beautiful events.

thailand

a melange of influences and ingredients, from within the borders of thailand, that have helped shape thai cuisine into a simmering, melting pot of tastes while perfecting the five fundamental flavours - spicy, sour, bitter, sweet and salty - is at the very heart of this art of cooking.
