

PET POLICY

1. **Compliance with Local Laws and Safety:** Guests bringing pets must adhere to local legislation and insurance liability requirements. Pets should be well-trained and appropriately restrained while on hotel premises, including being kept on a leash when not in the guest's room.
2. **Pet Details Confirmation:** Guests are kindly requested to confirm the number and breed of their pets when making a booking. Specific limitations may apply, and these can vary depending on the hotel location. For more information, please contact the hotel directly.
3. **Pet Policy and Restrictions:** We warmly welcome pets weighing less than 30 kilograms and dog breeds other than Pitbull, German Shepherd, Doberman, Rottweiler, and Boxer as part of our policy. Any request for granting exceptions by the hotel for the above mentioned excluded breeds, must be made directly to the hotel to enable them to understand the pets' temperament first hand from the owner. The hotels' decision will be final.
4. **Pet Services:** Pet sitters and pet supplies can be arranged through the hotel concierge with advance notice.
5. **Maximum Pets per Room:** To ensure a comfortable stay for both you and your pet, a maximum of one pet is allowed per room.
6. **Vaccination Verification:** Guests are required to provide verification that their pet's vaccinations and inoculations are complete and up-to-date.
7. **Designated Pet Areas:** Pets should only be walked in the designated pet areas of the hotel grounds. Pets may be allowed in specific restaurants and food service areas only. There may be certain areas in each property specific to the property where pets are allowed, but that are not necessarily permissible at any other property even within the same brand.
8. **Pet Control in Public Areas:** Pets must be leashed, caged, or held securely when in all common areas of the hotel.

9. **Unattended Pets:** If guests leave the hotel premises, any pets left unattended in the guest room must be secured in a proper pet crate or carrier.
 10. **Leash Requirement:** Pets must remain on a controlled leash at all times when not inside the guest room.
 11. **Clean-Up Responsibility:** Guests are responsible for cleaning up after their pets on hotel grounds and in the surrounding neighborhood areas. Please dispose of waste in designated dumpsters or areas.
 12. **Disturbance Control:** To ensure the comfort of all guests, guests are kindly requested to curtail any disturbances, such as excessive barking, caused by their pets.
 13. **Refundable Deposit:** A refundable cleaning and damage deposit of INR 3500 will be charged upon check-in. This deposit may become non-refundable if damage occurs or excessive cleaning is required.
 14. **Liability for Damages:** Guests are liable for all property damage, including but not limited to accommodation rooms, and any personal injuries resulting from their pet. The hotel reserves the right to charge the guest's account for the cost of any damages.
 15. **In-Room Amenities:** Complimentary pet amenities, including a pet bed, blanket, and water bowl, are provided for your pet's comfort during your stay. Kindly leave these items behind for the next guest. Replacement fees may apply if they are not returned.
 16. **Policy Changes:** Please be aware that our Pet Stay terms and conditions are subject to change without prior notice.
 17. **Non-Compliance:** In the event of non-compliance with any of the aforementioned conditions, the hotel reserves the right to revoke the permissions granted for the pet's stay.
